Training on RELAP5-3D

Idaho National Laboratory (INL) and the International RELAP5 Users Group will be offering a five-day Introductory RELAP5-3D Training Workshop from May 1-5, 2017 at the Marriott Residence Inn in Idaho Falls. The training agenda, registration information, and lodging information are available on the workshop page on the RELAP5-3D website, www.inl.gov/relap5/.

The class is open to individuals from organizations that have a current RELAP5-3D license and have been approved by INL as RELAP5-3D users for their organization. Users of other RELAP5 versions would also benefit from the training, and are welcome to attend. Participants are required to furnish their own laptop with RELAP5 installed.

Participants must register by April 24 so that training materials can be provided before the workshop. For registration questions, please contact Brenda Monson, Brenda.Monson2@inl.gov.
